	Dance Studio / Hall 6	Augy Harrison	07596 954761

Any problems?

If you have any problems during the show, please contact your Hall Manager in the first instance.

They are your single point of contact.

If your Hall Manager cannot solve your problem, he will find the right person to help.

All hall managers and several stewards will be carrying two-way radios.

If you do have any questions or queries before we all meet, please don't hesitate to **email me**. (While my phone number is listed above, I'm involved in lots of musical activities and cannot always rely on being able to answer the phone or remember what's been said!)

We are all looking forward to welcoming you to our exhibition. On behalf of the charity's trustees, club committee and members we hope you have safe journeys and a really enjoyable time with us.

Peter Davies
